1980

The class of 1980 was fortunate to have Mr. William Carrow as a class advisor. He was never at a loss for a bright money-making idea and he could always be depended upon for advice and guidance. We will never forget all the fun we had through the years with Mr. Carrow behind us. It is difficult to express enough gratitude for years of dedication in just a few lines and we hope Mr. Carrow realizes that words can only touch the surface of our appreciation. We dedicate this yearbook to you Mr. Carrow. Thank-you

Sincerely,

The Class of 1980

*Forget About Mistakes That You Can't Change Now,
but Don't Forget the Lessons That You've Learned.*

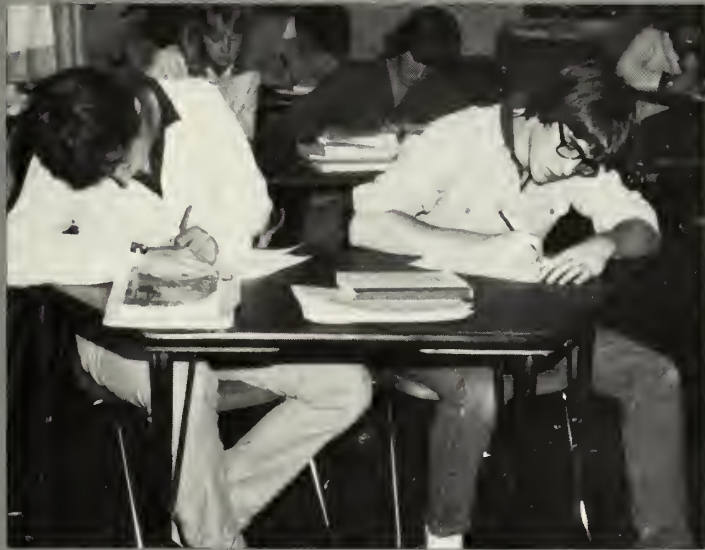

If he ever got his hands on this!?!

Not another assignment

Wind 'em up and they work

Did you see that guy???

Wouldn't you like to know

Strong wind, huh?

Let me see that!

*Forget About Misfortunes You've Encountered
but Don't Forget the Times Your Luck Has Turned. "*

Don't worry, the big kids won't get you.

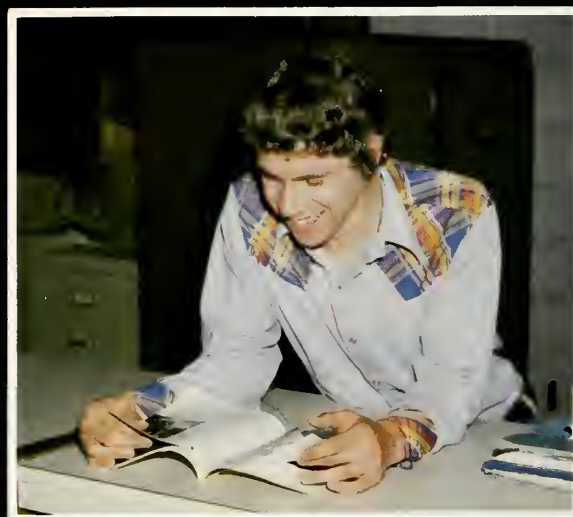

School is in the eyes of the beholder.

You wouldn't believe me if I told you.

Big Bill, Little Bea.

I just love computers.

Forget About the Days When You've Been Lonely,

Still happy after all these years

This class keeps me in stitches

It's Prouty time

I can't believe I just ate that

Taste good Missy?

but Don't Forget the Friendly Smiles You've Seen . . .

We found new freedom, together!

E.J. studying???

For Eveready battery —
"Come on I dare you . . ."

No Juanita, you can't smoke it

Hey Fellas

*Forget About the Plans That Didn't Seem to Work Out
Right,*

"... like my father always used to say ..."

"WRETCHED CATS"

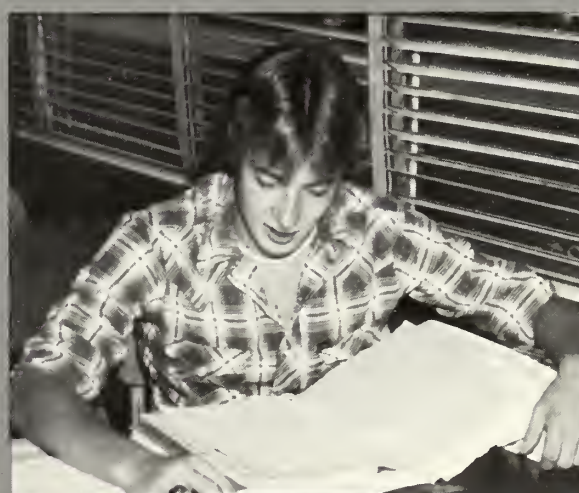

Ronnie, you are going to have to start working.

Where's the Coast Guard when you need them.

We know what's on their minds!

A rare picture

but Don't Forget to Always Have a Dream.

Always Have a Dream — Amanda Bradley

He's a mellow kind of guy

A little to the left Lis

IN MEMORY OF MR. LEO A. FRASER

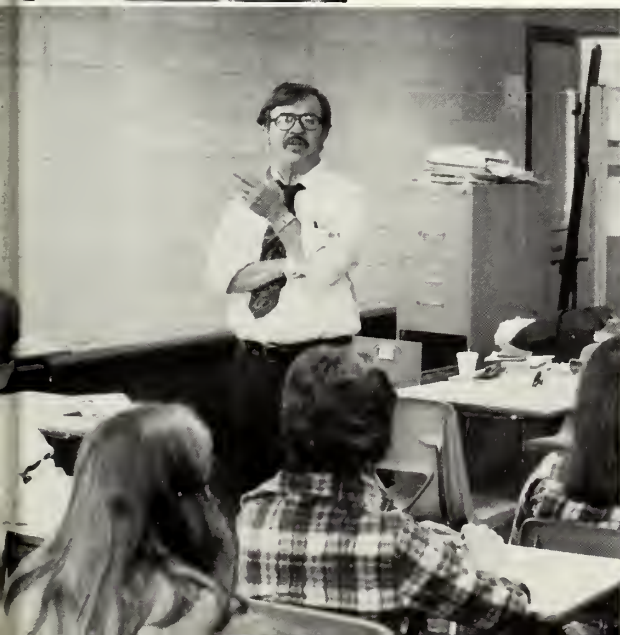

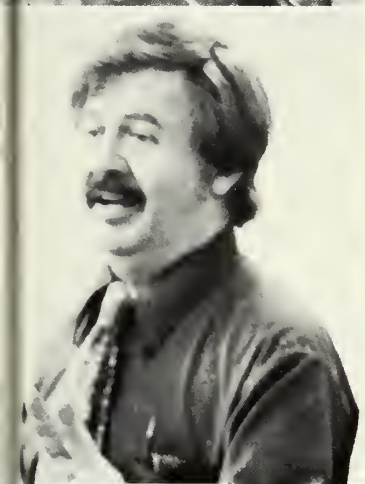

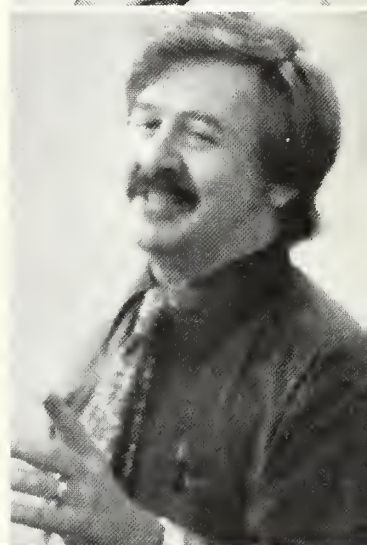

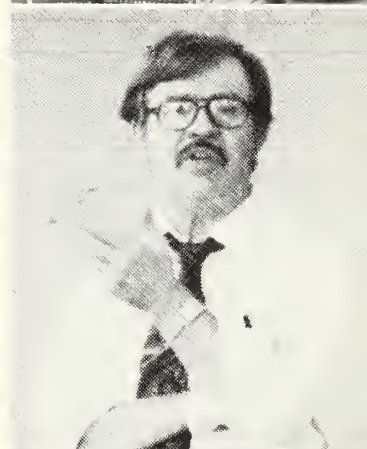

MANCHESTER

ERS ASSOCIATION

— IN MEMORIAM —

Leo Fraser personified every meaning of the word "teacher." His sunny optimism and constant encouragement were a source of strength to everyone who knew him. His own philosophy of perseverance took root in the minds of many of his students and enabled them to succeed. He was a generous man — generous with helpful advice — generous in giving of his own time to individual students — generous in sharing his personal thoughts and reflections. We were fortunate to have known him, and we shall always remember him with love and affection.
